CERAMIC

CARNAUBA WAX

Incredible super water repellency.
Provide the car with up to 365 days multi-purposes protection.

VANGUARD WAX

VANGUARD Carnauba Car Wax - Ceramic

Matte car paint can be used ! For All Color Car

CERAMIC Carnauba Wax takes everything you know about wax and makes it a fast, fun, and easy experience. This natural protective coating allows water to bead off the surface and makes bird dropping removal simple and easy, helps prevent permanent damage to your paintwork.

- ★ Deep texture polishing effect with excellent gloss!
- ★ 12 months super long-lasting hydrophobic.
- ★ Can withstand acid rain erosion and sunlight, ultraviolet radiation damage.
- ★ Unbelievable powerful water repellent & anti-fouling effect after waxing.

Model No	VG-007	Capacity	300ml
EAN Code	4710727540159	Origin	Taiwan

Whitening & Brightening Liquid Wax - Glossy

Remove dirt effectively, water marks and scale on the paint surface.

▲ Video Link

- ★ Quickly solve car paint problems such as fine lines, aged dirt and pale color.
- ★ Improve water repellent and oil repellency. Can effectively reduce stain adhesion.
- ★ Smooth the pores of the car paint, improve the smoothness of the paint surface and restore the color.
- ★ Deep treatment of superficial water marks, car paint oxidation and yellow dust.

Model No	VG-004	Capacity	300ml
EAN Code	4710727540128	Origin	Taiwan

VANGUARD Plastic Restorer - Black

Brighten gloss and restore shine effectively for faded and white plastic parts.

▲ Video Link

- ★ The penetration formula restores the faded and whitened plastic parts to the original color of the new car.
- ★ Enhance the adhesion effect of the coating liquid and restore the original appearance of the plastic part.
- ★ Have hydrophobic and oleophobic properties to reduce the adhesion of stains effectively.
- ★ Coating technology to make the plastic parts also have water repellent effect.

Model No	VG-005	Capacity	200ml
EAN Code	4710727540135	Origin	Taiwan

365DAYS High Sustainability Super Fusso Water Repellent

Glass Coating - Strong water-repellent.

▲ Video Link

Adopting the most advanced super-fluorine filling technology; simple coating can form a transparent and smooth water-repellent coating. Just like the invisible wiper! The raindrops will slide away when speed is up to or more than 45km/h, which greatly enhances the clear view in the rainy day!

- ★ Ultra-durable water-repellent, Rapidly forming water beads.
- ★ Strong water-repellent, Ultra-clear Windshield.
- ★ Stain resistance, Reduce & Low adhesion of grease and dirt.
- ★ Effortless big brush, Easy apply-on.
- ★ Sturdy water repellent layer, Last for 365 days.

Model No	RH-5033	Capacity	120ml
EAN Code	4717954992126	Origin	Taiwan

120DAYS Super Water Repellent Polymer Fluoride Water Repellency

Glass Coating - Strong water-repellent.

▲ Video Link

Adopting the most advanced super-fluorine filling technology; simple coating can form a transparent and smooth water-repellent coating. Just like the invisible wiper! The raindrops will slide away when speed is up to or more than 60km/h, which greatly enhances the clear view in the rainy day!

- ★ Refining chlorosilane enhances eight times of water repellency.
- ★ Strong anti-drip water and quickly forming water-repellent film.
- ★ Effortless brush head to instruct. No more dirty hands.
- ★ No brushing on the wiper. Clear vision during the ride.
- ★ Sturdy rain repellency and last for 120 days of strong water repellency.

Model No	RH-5032	Capacity	120ml
EAN Code	4717954992119	Origin	Taiwan

Super Strong Grease Remover

Glass Cleaning

▲ Video Link

This product adopts Germany's powerful formula of ultra-micron grinding molecules, which can quickly and completely remove the stubborn grease and water stain. It improves the blurred vision when driving in the rain. It takes care of wiper jumping and noise. Provide you with better clear and safe vision.

- ★ Strong grinding and rapidly remove grease.
- ★ Completely remove the grease and ensure super clear vision.
- ★ Ultra-fine wool felt applicator is easy to instruct.
- ★ Effortless round brush and easy to apply on.

Model No	RH-5031	Capacity	120ml
EAN Code	4717954992102	Origin	Taiwan

Black Plastic Coating Wax

Remove dirt and wax debris, restore the surface to glossy shine and non-greasy.

- ★ The latest infiltration wax coating technology, can effectively restore faded plastic parts.
- ★ Suitable for: all different kinds and colors of rubber or plastic material.
- ★ Excellent original color coverage.

Model No	B5036	Capacity	160ml
EAN Code	4710727540111	Origin	Taiwan

New Auto Leather Conditioner & Cleaner

Easy to remove dirt and to avoid excessive drying and leather fade.

- ★ With pure lanolin soft formulation to have double effect of moisturizing and cleaning in one.
- ★ Can prevent aging cracking; maintain leather with bright shine longer lasting.

Model No	RH-5012	Capacity	160ml
EAN Code	4717954990528	Origin	Japan

Cut Clear Vision Glass Cleaner

Easily clean the bugs, dirt and road film from glass.

- ★ Made form Germany strong formula Micro Silica for deep cleaning.
- ★ Reduce wipers wear out and prevent abnormal sound wiper beating.
- ★ Improve visibility for safest driving

Model No	RH-5011	Capacity	160ml
EAN Code	4717954990511	Origin	Germany

OUT Water Repellent Glass Coating

With the car window water repellent, it can dramatically enhance the clear view from the windshield.

- ★ Formed a smooth water repellent glass coating with simply rub and wipe.
- ★ Water repels when driving at a 50km speed and over.
- ★ Forms a uniform and smooth water-repellent film that far surpasses conventional technologies, reduces frictional resistance to the ultimate.

Model No	RH-5013	Capacity	160ml
EAN Code	4717954990535	Origin	Japan

VANGUARD IRON REMOVER - Wheel

Iron-contaminate and fallout remover safely and effectively removes the tiny pieces of ferrous shrapnel that can embed itself into surfaces, targeting and dissolving them before significant damage can occur.

- ★ Removes brake dust and iron particles from your vehicle.
- ★ Advanced PH neutral formula.
- ★ Suitable for paintwork, aluminium, anodised wheels.

Model No	VG-001	Capacity	750ml
EAN Code	4710727540098	Origin	Taiwan

VANGUARD IRON REMOVER - Paint

- ★ Prevents paint corrosion with regular use.
- ★ Contains degreasing agents to remove road grime.
- ★ This process should be performed every 3-6 months on daily-driven vehicles before applying a car wax or ceramic coating, or before any polishing work is performed.

Super Popular 6'Polishing Pad

Car wash club !

Designed for automotive paint finishes and auto-detailing treatments. The full range of products are made of imported, high quality polyester sponge with excellent tensile strength and resistance. The life cycle is several times of durability than ordinary sponge.

- ★ With professional bonding technology, it can be cleaned with water and neutral detergent below 60 degrees Celsius. Wash and squeeze dry. It is recommended to dry the sponge before continuing to use it.
- ★ A variety of sponge selections are available to choose. You can choose the appropriate sponge according to the instruction procedure and the matching polishing agent or compound wax to achieve perfect polishing effect.
- ★ It is recommended to use the number of revolutions from 1800 rpm to 3000 rpm and follows the suggested rpm of selected polishing agent to ensure it will not damage the paint surface.
