RH-5032

RH-5033

RH-5031

Professional-grade Quality: Composed of high-quality ingredients, this professional-grade product delivers exceptional protection and performance, ideal for car enthusiasts and pros.

365DAYS High Sustainability Super Fusso Water Repellent

Glass Coating - Strong water-repellent.

▲ Video Link

Adopting the most advanced super-fluorine filling technology; simple coating can form a transparent and smooth water-repellent coating. Just like the invisible wiper! The raindrops will slide away when speed is up to or more than 45km/h, which greatly enhances the clear view in the rainy day!

- ★ Ultra-durable water-repellent, Rapidly forming water beads.
- ★ Strong water-repellent, Ultra-clear Windshield.
- ★ Stain resistance, Reduce & Low adhesion of grease and dirt.
- ★ Effortless big brush, Easy apply-on.
- ★ Sturdy water repellent layer, Last for 365 days.

Model No	RH-5033	Capacity	120ml
EAN Code	4717954992126	Origin	Taiwan

120DAYS Super Water Repellent Polymer Fluoride Water Repellency

Glass Coating - Strong water-repellent.

▲ Video Link

Adopting the most advanced super-fluorine filling technology; simple coating can form a transparent and smooth water-repellent coating. Just like the invisible wiper! The raindrops will slide away when speed is up to or more than 60km/h, which greatly enhances the clear view in the rainy day!

- ★ Refining chlorosilane enhances eight times of water repellency.
- ★ Strong anti-drip water and quickly forming water-repellent film.
- ★ Effortless brush head to instruct. No more dirty hands.
- ★ No brushing on the wiper. Clear vision during the ride.
- ★ Sturdy rain repellency and last for 120 days of strong water repellency.

Model No	RH-5032	Capacity	120ml
EAN Code	4717954992119	Origin	Taiwan

Super Strong Grease Remover

Glass Cleaning

▲ Video Link

This product adopts Germany's powerful formula of ultra-micron grinding molecules, which can quickly and completely remove the stubborn grease and water stain. It improves the blurred vision when driving in the rain. It take cares of wiper jumping and noise. Provide you with better clear and safe vision.

- ★ Strong grinding and rapidly remove grease.
- ★ Completely remove the grease and ensure super clear vision.
- ★ Ultra-fine wool felt applicator is easy to instruct.
- ★ Effortless round brush and easy to apply on.

Model No	RH-5031	Capacity	120ml

Black Plastic Coating Wax

Remove dirt and wax debris, restore the surface to glossy shine and non-greasy.

- ★ The latest infiltration wax coating technology, can effectively restore faded plastic parts.
- ★ Suitable for: all different kinds and colors of rubber or plastic material.
- ★ Excellent original color coverage.

Model No	B5036	Capacity	160ml
EAN Code	4710727540111	Origin	Taiwan

New Auto Leather Conditioner & Cleaner

Easy to remove dirt and to avoid excessive drying and leather fade.

- ★ With pure lanolin soft formulation to have double effect of moisturizing and cleaning in one.
- ★ Can prevent aging cracking; maintain leather with bright shine longer lasting.

Model No	RH-5012	Capacity	160ml
EAN Code	4717954990528	Origin	Japan

Cut Clear Vision Glass Cleaner

Easily clean the bugs, dirt and road film from glass.

- ★ Made form Germany strong formula Micro Silica for deep cleaning.
- ★ Reduce wipers wear out and prevent abnormal sound wiper beating.
- ★ Improve visibility for safest driving

Model No	RH-5011	Capacity	160ml
EAN Code	4717954990511	Origin	Germany

OUT Water Repellent Glass Coating

With the car window water repellent, it can dramatically enhance the clear view from the windshield.

- ★ Formed a smooth water repellent glass coating with simply rub and wipe.
- ★ Water repels when driving at a 50km speed and over.
- ★ Forms a uniform and smooth water-repellent film that far surpasses conventional technologies, reduces frictional resistance to the ultimate.

Model No	RH-5013	Capacity	160ml
EAN Code	4717954990535	Origin	Japan

IRON REMOVER

Paint / Wheel

Effectively remove car paint iron powder and iron filings. Quick response and no damage to the paint. After the purple burst effect occurs, it can be washed with a strong water jet.

VANGUARD IRON REMOVER - Wheel

VANGUARD IRON REMOVER - Paint

Iron-contaminate and fallout remover safely and effectively removes the tiny pieces of ferrous shrapnel that can embed itself into surfaces, targeting and dissolving them before significant damage can occur.

- ★ Removes brake dust and iron particles from your vehicle.
- ★ Advanced PH neutral formula.
- ★ Suitable for paintwork, aluminium, anodised wheels.

- ★ Prevents paint corrosion with regular use.
- ★ Contains degreasing agents to remove road grime.
- ★ This process should be performed every 3-6 months on daily-driven vehicles before applying a car wax or ceramic coating, or before any polishing work is performed.

Model No	VG-001	Capacity	750ml	Model No	VG-002	Capacity	750ml

TANK300

Electric Foam Sprayer

- Electric Pressurized
- Easy to Carry
- Sturdy and Durable
- Multifunctional Use
- Cordless Sprayer

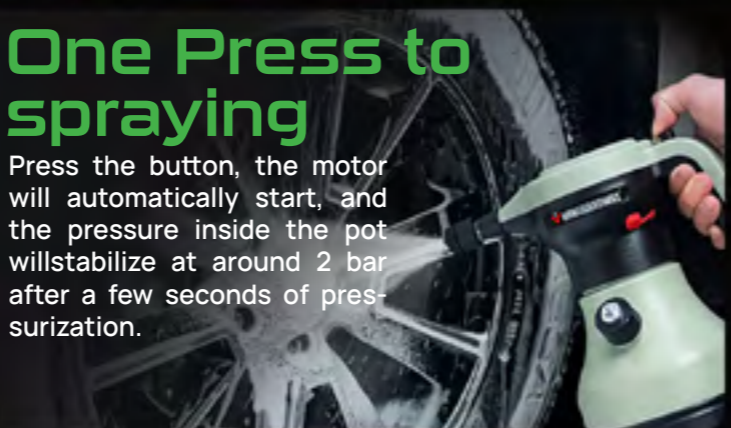

One Click Pressurization

Just gently press the electric pressurized button, the foam sprayer can produce a large amount of viscous snowflake foam.

One Press to spraying

Press the button, the motor will automatically start, and the pressure inside the pot will stabilize at around 2 bar after a few seconds of pressurization.

Light Source Indicator Panel

- Orange light (Charging)
- Green light (Fully charged)
- Blue light (Fully charged)
- Flashing blue light (Inflation operation)
- Red light (Low battery)

Type-C Charging

TANK 300 can continuous foam spraying 20-30 minutes after full charged - equivalent to 2400 presses of the hand press sprayer.

- Light Source Indicator
- Type-C Charging Port
- One Press Spray
- Ergonomic Design
- One Click Pressurization

NEW TANK300 Electric Foam Sprayer

DORI CORLESS POLISHER

- Cordless, Easier Work
- 2PCS Replaceable Batteries
- Light Weight & Comfortable Grip
- 6-Speed Adjustable

DORI CORLESS POLISHER

Voltage: 12V Lithium Battery
Working Electric Current 5A
Product Weight: 1.1 KG
Machine Dimensions: 230x120x135(mm)
Product Speed:
 [Max. Speed] 5000 rpm/MIN
 [Mini. Speed Speed] 2500 rpm/MIN
Battery Charger: XZ1260-2400KA
Input Voltage: AC 110~240V / 50-60Hz / 45W
Output Power: DC 12.6V / 2.4A
Battery Capacity: XW-120302C/12VDC, 2000mAh

4 Color
Various colors to match

Cordless Easier Work

Easy-to-hand grip design

DORI CORLESS POLISHER is powered by lithium battery, which avoids the matter of the rope rubbing against the car, or tripping by the wire. It also does not need to be connected to a socket for use, and the operation is safer.

6-Speed

Adjustable, Up to 5000 RPM

The inside of the cordless polisher for car detailing has a powerful motor, the speed can be adjusted in 1-6 levels.

VANGUARD WATER SPRAY GUN - VG

Rotating nozzle with 6 different spray patterns

▲ Video Link

A revolutionary High Power Wash Gun.will effectively clean many areas and surfaces including windows, cars, driveways, boats, around the pool, roofs, weatherboards, gutter and even the hardest to reach places. Cleaning and Watering has never been so easier!

- ★ The portable water absorbing design with powerful pressure accumulation can absorb water instantly.
- ★ A Nozzle with 6 spray patterns to adjust water spray.
- ★ We take adopt half crankshaft connecting rods to drive the high pressure piston pump to increase the water pressure.

Model No	VG-203	Size	52cm x 6cm x 29cm
