## Super Protection Graphene Coating Car Wax (All Colors)

Graphene X Premium Carnauba

Nano graphene molecular structure is combined with top-grade T1 carnauba wax, creating an ultra-dense and long-lasting coating layer. Its superior hydrophobic properties, stain resistance, and chemical durability ensure extended protection and a lasting shine, keeping your car looking brand new.

- ★ Crystal-clear coating & mirror-like finish
- ★ Effortless maintenance
- ★ With a powerful 110° water-beading angle
- ★ It enhances color depth, making the paintwork more vibrant and Stunning.

Model No	RH-5037	Capacity	150g
EAN Code	4717954992157	Origin	Taiwan

## Super Protection Graphene Water-Repellent Coating

Powerful Water Repellency, Water beads Fly Off

Formulated with graphene and fluorosilane compounds, this advanced solution effectively fills microscopic pores in glass surfaces, creating a durable protective layer. It delivers exceptional water repellency, stain resistance, and prevent grime.

- ★ Invisible wiper effect
- ★ With an ultra-high 110° water contact angle, water beads Effortlessly roll off the windshield at speeds above 45 km/h
- ★ Equipped with an ergonomic brush head for effortless and even Application, ensuring quick and complete coverage.

Model No	RH-5051	Capacity	100ml
EAN Code	4717954992195	Origin	Taiwan

## Super Protection Graphene Leather & Dashboard Coating

Exceptional Interior Protection

- ★ Combining graphene with a leather-enhancing formula
- ★ Glossy finish & UVprotection
- ★ Ensuring your interior stays spotless with minimal Effort.

Model No	RH-5038	Capacity	473ml / 16oz	Model No	RH-5039	Capacity	946ml / 32oz
EAN Code	4717954992164	Origin	Taiwan	EAN Code	4717954992171	Origin	Taiwan

## Super Protection Graphene Car Wash

Rich Foam, Deep Cleaning

- ★ Enhanced with graphene additives, this powerful yet easy-to-rinse formula effectively lifts away dirt and grime.
- ★ Smooth cleaning, no residue
- ★ Glossy protective layer

## Super Protection Graphene Ceramic Coating

The nano-polymer carbon atom formula creates a protective barrier between the paint surface

The graphene carbon atom structure combined with advanced nano-polymer technology, forms a unique, flexible yet tough protective layer upon application. It effectively shields against UV rays, acid rain, and environmental pollutants while enhancing the car paint to highly gloss.

- ★ Superior Water Repellency & Silky Smooth Finish
- ★ Premium Protection, Durable Coating
- ★ Highly Hydrophobic: 110°; Low Sliding Angle: 10°
- ★ Extreme Durability, Gloss & Slickness
- ★ Easy To Apply In A Wide Range Of Temperatures

Model No	RH-5050	Capacity	473ml / 16oz
EAN Code	4717954992188	Origin	Taiwan

## Super Protection Graphene Rubber & Plastic Restorer

Water-Repellent & Stain-Resistant for Long-Lasting Protection

Infused with nano graphene and organosilicon polymers, this highly penetrative formula rejuvenates plastic components to their original, like-new color. It eliminates fading and aging marks, restoring a rich, elegant finish reminiscent of a brand-new vehicle.

- ★ Lightweight, fast-drying, & non-greasy
- ★ Self-cleaning, hydrophobic, chemical & uv-resistant
- ★ Abrasion resistant
- ★ Preserves black satin appearance
- ★ The unique fast-drying formula offers excellent spreadability

Model No	RH-5053	Capacity	473ml / 16oz
EAN Code	4717954992218	Origin	Taiwan

## Super Protection Graphene Tire Coating

Infused with nano graphene and polyester compounds, this latest water-based resin formula is completely solvent-free.

- ★ fast absorption & no drop-off
- ★ Tire-specific formula
- ★ The high-penetration graphene resin quickly absorbs Into the tire surface, forming a strong protective layer

Model No	RH-5052	Capacity	473ml / 16oz	Model No	RH-5055	Capacity	473ml / 16oz
EAN Code	4717954992201	Origin	Taiwan	EAN Code	4717954992225	Origin	Taiwan

## Super Protection Wheel & Tire Cleaner

Designed for deep-cleaning efficiency, this formula penetrates and dissolves brake dust and tough stains.

- ★ Enhanced protection – reduces brake dust adhesion
- ★ Gentle formula – safe for all materials
- ★ Powerful cleaning – restores shine
- ★ With a mild, ph-neutral formula

# 4S/4X

## Carnauba Plus Premium Wax

long-lasting protection to preserve your finish with a brilliant reflective shine.

4X&4S Carnauba Wax is a guarantee of amazing shine and spectacular hydrophobicity!

## VANGUARD 4X Fluorine Water Repellent Wax

Fluorine crystal clear brilliance Superb water repellency repels dirt and dust.

long-lasting protection to preserve your finish with a brilliant reflective shine.

4X&4S Carnauba Wax is a guarantee of amazing shine and pectacular hydrophobicity!

- ★ Fluorine crystal clear brilliance
- ★ Superb water repellency repels dirt and dust
- ★ Compatible with all car colors
- ★ Simple, quick, and effortless application, easy for waxing works
- ★ Excellent durability, water repellency, and weather resistance

Model No	RH-5035	Capacity	300g
EAN Code	4717954992133	Origin	Taiwan

## VANGUARD 4S Superb Fusso Coating Wax

Excellent water repellency resists dirt and dust

long-lasting protection to preserve your finish with a brilliant reflective shine.

4X&4S Carnauba Wax is a guarantee of amazing shine and pectacular hydrophobicity

- ★ Superb fusso coating provides absolute protection
- ★ Excellent water repellency resists dirt and dust
- ★ Suitable for all kinds of car colors
- ★ Simple, quick, and effortless to apply the wax on
- ★ Outstanding durability, water repellency, and weather resistance

Model No	RH-5036	Capacity	300g
EAN Code	4717954992140	Origin	Taiwan

## VANGUARD Crystal Diamond Coating Wax

High-polymer glaze formula penetrates paint pores and forms a protective film

- ★ Exclusive glaze wax sealing technology
- ★ Removes scratches, fine lines, and swirl marks
- ★ Resistant to cleaning, UV rays, and oxidation, preventing fading

Model No	VG-015	Capacity	200g	Model No	VG-016	Capacity	200g
EAN Code	4710727540241	Origin	Taiwan	EAN Code	4710727540258	Origin	Taiwan

## VANGUARD Platinum Mirror Finish Wax

Exceptional dirt resistance for extended protection, challenging the limits of coating durability

- ★ Natural Carnauba Wax formula
- ★ Maintains high brightness and provides perfect water repellency
- ★ Resistant to cleaning, UV rays, and oxidation, preventing fading

## 4S Superb Fusso Coating Wax

Superb fusso coating provides absolute protection  
Excellent water repellency resists dirt and dust

## 4X Fluorine Water Repellent Wax

Fluorine crystal clear brilliance  
Superb water repellency repels dirt and dust

VG-007

# CERAMIC CARNAUBA WAX

Incredible super water repellency.  
Provide the car with up to 365 days multi-purposes protection.

▲ Video Link

CERAMIC Carnuba Wax takes everything you know about wax and makes it a fast, fun, and easy experience. This natural protective coating allows water to bead off the surface and makes bird dropping removal simple and easy, helps prevent permanent damage to your paintwork.

- ★ Deep texture polishing effect with excellent gloss!
- ★ 12 months super long-lasting hydrophobic.
- ★ Can withstand acid rain erosion and sunlight, ultraviolet radiation damage.
- ★ Unbelievable powerful water repellent & anti-fouling effect after waxing.

Model No	VG-007	Capacity	300ml
EAN Code	4710727540159	Origin	Taiwan

VG-005

# BLACK PLASTIC RESTORER

create an incredibly durable and shiny black appearance for tyres, rubber, and unpainted resin materials.

▲ Video Link

- ★ Quickly solve car paint problems such as fine lines, aged dirt and pale color.
- ★ Improve water repellent and oil repellency. Can effectively reduce stain adhesion.
- ★ Smooth the pores of the car paint, improve the smoothness of the paint surface and restore the color.
- ★ Deep treatment of superficial water marks, car paint oxidation and yellow dust.

Model No	VG-004	Capacity	300ml
EAN Code	4710727540128	Origin	Taiwan

VG-004

# GLOSSY Whitening & Brightening Liquid Wax

Quickly solve car paint problems such as fine lines, aged dirt and pale color. Remove dirt effectively, water marks and scale on the paint surface.

▲ Video Link

- ★ The penetration formula restores the faded and whitened plastic parts to the original color of the new car.
- ★ Enhance the adhesion effect of the coating liquid and restore the original appearance of the plastic part.
- ★ Have hydrophobic and oleophobic properties to reduce the adhesion of stains effectively.
- ★ Coating technology to make the plastic parts also have water repellent effect.

Model No	VG-005	Capacity	200ml
EAN Code	4710727540135	Origin	Taiwan

## 365DAYS High Sustainability Super Fusso Water Repellent

Glass Coating - Strong water-repellent.

Adopting the most advanced super-fluorine filling technology; simple coating can form a transparent and smooth water-repellent coating. Just like the invisible wiper! The raindrops will slide away when speed is up to or more than 45km/h, which greatly enhances the clear view in the rainy day!

- ★ Ultra-durable water-repellent, Rapidly forming water beads.
- ★ Strong water-repellent, Ultra-clear Windshield.
- ★ Stain resistance, Reduce & Low adhesion of grease and dirt.
- ★ Effortless big brush, Easy apply-on.
- ★ Sturdy water repellent layer, Last for 365 days.

Model No	RH-5033	Capacity	120ml
EAN Code	4717954992126	Origin	Taiwan

## 120DAYS Super Water Repellent Polymer Fluoride Water Repellency

Glass Coating - Strong water-repellent.

Adopting the most advanced super-fluorine filling technology; simple coating can form a transparent and smooth water-repellent coating. Just like the invisible wiper! The raindrops will slide away when speed is up to or more than 60km/h, which greatly enhances the clear view in the rainy day!

- ★ Refining chlorosilane enhances eight times of water repellency.
- ★ Strong anti-drip water and quickly forming water-repellent film.
- ★ Effortless brush head to instruct. No more dirty hands.
- ★ No brushing on the wiper. Clear vision during the ride.
- ★ Sturdy rain repellency and last for 120 days of strong water repellency.

Model No	RH-5032	Capacity	120ml
EAN Code	4717954992119	Origin	Taiwan

## Super Strong Grease Remover

Glass Cleaning

This product adopts Germany's powerful formula of ultra-micron grinding molecules, which can quickly and completely remove the stubborn grease and water stain. It improves the blurred vision when driving in the rain. It take cares of wiper jumping and noise. Provide you with better clear and safe vision.

- ★ Strong grinding and rapidly remove grease.
- ★ Completely remove the grease and ensure super clear vision.
- ★ Ultra-fine wool felt applicator is easy to instruct.
- ★ Effortless round brush and easy to apply on.

Model No	RH-5031	Capacity	120ml
EAN Code	4717954992102	Origin	Taiwan

CAR WASH TOOL

**Black Plastic Coating Wax**

Remove dirt and wax debris, restore the surface to glossy shine and non-greasy.

- ★ The latest infiltration wax coating technology, can effectively restore faded plastic parts.
- ★ Suitable for: all different kinds and colors of rubber or plastic material.
- ★ Excellent original color coverage.

Model No	B5036	Capacity	160ml
EAN Code	4710727540111	Origin	Taiwan

**New Auto Leather Conditioner & Cleaner**

Easy to remove dirt and to avoid excessive drying and leather fade.

- ★ With pure lanolin soft formulation to have double effect of moisturizing and cleaning in one.
- ★ Can prevent aging cracking; maintain leather with bright shine longer lasting.

Model No	RH-5012	Capacity	160ml
EAN Code	4717954990528	Origin	Japan

**Cut Clear Vision Glass Cleaner**

Easily clean the bugs, dirt and road film from glass.

- ★ Made form Germany strong formula Micro Silica for deep cleaning.
- ★ Reduce wipers wear out and prevent abnormal sound wiper beating.
- ★ Improve visibility for safest driving

Model No	RH-5011	Capacity	160ml
EAN Code	4717954990511	Origin	Germany

**OUT Water Repellent Glass Coating**

With the car window water repellent, it can dramatically enhance the clear view from the windshield.

- ★ Formed a smooth water repellent glass coating with simply rub and wipe.
- ★ Water repels when driving at a 50km speed and over.
- ★ Forms a uniform and smooth water-repellent film that far surpasses conventional technologies, reduces frictional resistance to the ultimate.

Model No	RH-5013	Capacity	160ml
EAN Code	4717954990535	Origin	Japan

### VANGUARD IRON REMOVER - Wheel

### VANGUARD IRON REMOVER - Paint

Iron-contaminate and fallout remover safely and effectively removes the tiny pieces of ferrous shrapnel that can embed itself into surfaces, targeting and dissolving them before significant damage can occur.

- ★ Removes brake dust and iron particles from your vehicle.
  - ★ Advanced PH neutral formula.
  - ★ Suitable for paintwork, aluminium, anodised wheels.
- ★ Prevents paint corrosion with regular use.
  - ★ Contains degreasing agents to remove road grime.
  - ★ This process should be performed every 3-6 months on daily-driven vehicles before applying a car wax or ceramic coating, or before any polishing work is performed.

Model No	VG-001	Capacity	750ml	Model No	VG-002	Capacity	750ml
EAN Code	4710727540098	Origin	Taiwan	EAN Code	4710727540104	Origin	Taiwan

### Vanguard QUICK AQUA COATING

Can be used on matted lacquered surface

- ★ Quickly achieve water repellency on surface and with brightening and light effect.
- ★ Suitable for express car paint care, Can be used as a regular auto care product after the coating.
- ★ Using the latest technology refined Fusso to extend protection sustainability.
- ★ Can be apply on to glass other than car paint, can be used as a quick aqua repellent.

Model No	RH-5021	Capacity	750ml
EAN Code	4717954990757	Origin	Taiwan

## EXCLUSIVE PORCELAIN GLAZE WAX

- 1. Porcelain Glaze Wax using the premium carnauba wax ingredient as the base formula to protect the paint longer lasting shininess. The result is twice better than conventional car wax!
- 2. Exclusively transparent polymeric fibers interwoven formula sealant; as it's unique chemical structure it enables to form a hard, glossy and closed protective thin film with brilliant shine like porcelain and provides the car with up to 120 days multi-purposes protection.
- 3. Incredible super water repellency. Antifouling effect. It enables to withstand harsh acid rain and strong sunlight, ultraviolet radiation damage. Moreover it features to fill and modify tiny small scratches to protect the paint from outdoor parking.
- 4. Pure and premium wax materials. Non-Abrasive. Can be cleaned together for untreated black plastic parts. No white powdery residue.
- 5. This is the highest standard for auto car care for all professional and car lovers.

Vanguard Marquess Wax

Brazilian No.1 grade Carnauba wax ! For All Color Car

- ★ It is dedicated to tropical rainy weather and is effective against UV rays, acid rain and air pollution.
- ★ From Japan's super popular fluorine dust-resistance and water-repellent patent formula. Any car color can be used.
- ★ Brazilian No. 1 Carnauba wax. The smoothness of the paint surface is super-lifting, and the water drops are in full drop without dust.
- ★ Unique UV absorbent completely blocks UV radiation & delays deterioration of paint.
- ★ 120 days of ultra-long-lasting mirror protection to prevent dust, dirt, oil and insects from attaching.

Model No	RH-8009	Capacity	330g
EAN Code	4976560021075	Origin	Taiwan

Super Glossy Sealant protective agent

Matte car paint can be used ! For All Color Car

Advanced interwoven super polymer technology can be formed for a tough protective sealant for up to 6 months. Protect car paint and resist of UV and acid rain, providing super water repellent effect. Can be used individually for car paint detailing and enhance glossy, rapid brightening, protective coating to be part of daily maintenance.

Model No	RH-5029	Capacity	260ml
EAN Code	4717954992096	Origin	Taiwan

VANGUARD FAST ZERO GLASS CLEANER

The exclusive ultra-microscopic cleansing formula thoroughly removes dirt from the glass without damaging the surface.

- ★ Enjoy a clearer and more transparent view, ensuring safer driving visibility.
- ★ Suitable for use on automotive glass, bathroom glass, and window glass.
- ★ The package includes 2pcs of Sponges & 1pc of Microfiber Cloth.

Model No	VG-010	Capacity	270g
EAN Code	4710727540197	Origin	Taiwan

## Innovative Ceramic Chemistry

Highly refined formula provides incredible weather, chemical and UV protection for any surface.

## Affordable DIY Application

Designed to be applied without the need for any professional equipment or experience.

## Slick, Glossy Finish

Proprietary resins and additives create a stunningly rich non-stick finish that lasts for 3+ years.

**High Hardness:** hardness of coating can go up to 7-9H for effective protection and against external force may cause paint damage.

**High Brightness:** Colorless, Transparent Coating. Crystal clear. Bright and Smooth surface of the coating with certain coverage. Fully reflect the brilliant shine without produce diffraction.

## Vanguard Inorganic Quartz 9H SiO<sub>2</sub> Fluoro Inorganic Crystals Coating

Lacquered paint / Plastic parts / Glass

- ★ High Hardness / High Brightness
- ★ High inorganic silicon
- ★ Good stability
- ★ Can be used individually for car paint, windshield or plastic parts.
- ★ Three types of coating can be used individually or in combination. After apply coating Plastic parts & Car paint Coating, then add the Glass Coating on top to have a thickness coating layer with strong and exaggerated water repellency.
- ★ Glass Coating can also be treated as maintenance use for SiO<sub>2</sub> Fluoro Crystal Coating.
- ★ High water repellency
- ★ Longer lasting / Safety

### VANGUARD Tar and Bug Stain Remover

Silicon protection formula cleans while effectively protecting the car paint and maintaining the body's shine.

- ★ Powerful, fast, and instantly clean!
- ★ Ultra-fine mist can easily remove tar and various oily grime on the car body and bumpers.
- ★ Can also be used as an adhesive remover for sticker residues.
- ★ Suitable for all car colors and convenient to use.

Model No	VG-009	Capacity	450ml
EAN Code	4710727540180	Origin	Taiwan

### VANGUARD Wax Remover (Wax Cleaning Solution)

Exclusive professional formula for cleaning wax without solvent (IPA) ingredients.

- ★ Penetrating wax removal formula with 2.5 times concentrated.
- ★ Effortlessly removes wax deeply.
- ★ Simple rubbing or soaking is all that's needed.
- ★ Quickly removes residual wax and oil stains from sponges and wiping cloths.

Model No	VG-014	Capacity	750ml
EAN Code	4710727540234	Origin	Taiwan

### VANGUARD Windshield Repair Kit

Quickly and easily repair common scars and marks on glass surface

- ★ Quickly and easily repair common scars and marks on glass surface,such as: dents, bull's eye, star shaped or bull's eye + star and othercracks etc.
- ★ It can minimize glass cracks and prevent cracks continuing to spread.
- ★ Durable resin formula

Model No	B5030	weight	1.5g
EAN Code	4717954990832	Origin	Taiwan

### VANGUARD Clay Bar For Light Car

This product has higher viscosity, which can clean effectively and remove stubborn grime on car paint.

- ★ Essential preparation product before coating and waxing.
- ★ Fast and Effective at removing stubborn grime, iron powder, industrial dust and rough paint easily.
- ★ This product has higher viscosity, which can clean effectively and remove stubborn grime on car paint.
- ★ Made of exclusive clay ,and it would not be fracture or loose when you knead it.

Model No	RH-5026	Capacity	100g
EAN Code	4717954992065	Origin	Taiwan

### VANGUARD Clay Bar For Dark Car

This product has higher viscosity, which can clean effectively and remove stubborn grime on car paint.

- ★ Essential preparation product before coating and waxing.
- ★ Fast and Effective at removing stubborn grime, iron powder, industrial dust and rough paint easily.
- ★ This product has higher viscosity, which can clean effectively and remove stubborn grime on car paint.
- ★ Made of exclusive clay ,and it would not be fracture or loose when you knead it.
